

Membership Application

PLEASE RETURN THIS FORM WITH YOUR PAYMENT.

A dues payment to ACNM is not tax deductible as a charitable contribution but may be deductible as a business expense with an exclusion of 5.2% due to restrictions imposed as a result of ACNM lobbying activities. Contact your affiliate for the percentage of affiliate dues not deductible because of lobbying. Should you choose to make a gift to the A.C.N.M. Foundation that portion of your payment is deductible as a charitable contribution. Over payments and duplicate payments will be credited as pre-payment toward the following year.

Please check here if you want information sent to you for planned giving to the Foundation.
